

Terry Kelly, SJ

Rev Fr Terry Kelly, SJ, author of 3 books, and an editor of another book died peacefully in Melbourne on 3 July 2020. He was 85 years of age. He taught science, philosophy as well as classes in science and religion for many years at St Ignatius College in Adelaide and at other Jesuit Schools in Australia. He published various books with ATF Press which were all in the area of science and religion.

In 2002: *God life Intelligence and the Universe* (co-editor)

In 2007: *Reason and Religion in an Age of Science*

In 2008: *Being a Darwinian and Believer*

In 2018: *The A to Z of People of Science and Faith*

All these books can be found at the ATF Press web site.
