Time We Started Listening Theological Questions Put To Us By Recent Indigenous Writing

By Duncan Reid

'Duncan Reid tackles a mammoth but urgent task, the task of reimagining our ways of seeing in and through the eyes of the other. This is a task First Nations People have become adept at in the intersection between Aboriginality and the European way of seeing. Reid challenges us each to move out of our siloed thinking and be as expansive as the Australian continent in our engagement with the Great Creator Spirit who is indigenous to this place. Please read and digest.'

Revd Glenn Loughrey MA, Wiradjuri, author, artist, Anglican Priest and Blackfella's Youngfella
